Sir,

In retransmitting herewith Government Endorsement No.49397-1-E.1 P.H., dated 6-12-1940 and the enclosures to it, I have the honour to state that in the regulations issued under the Public Health Act, it is laid down that the existing 2nd class vaccinators, if they qualify themselves as Sanitary Inspectors shall be given the scale of pay of Rs.30-2/2-50. In the present instance, the vaccinator in question having passed the Sanitary Inspector's test will thus become

entitled

entitled to the above scale from 1-4-1941. Special sanction of the Government for conversion of the post of 2nd class into first class does not seem necessary in view of the regulations referred to above.
